ITEM: APPROVAL TO USE VIRTUAL ENVIRONMENT PLATFORM FOR DISTRICT EVENTS

Background: Rialto Unified School District has hosted annual live events in the past such as The Parent Summit and the Rialto Science and Engineering Fair (RSEF). Due to COVID-19, these events will need to be held virtually to provide comparable services for our students and families. M&M Production will be able to assist our district with providing “virtual environments” for these events. In addition to these two events, Rialto Unified School District has collaborated with Fontana Unified School District, for the past seven (7) years, to bring forth the Regional College and Career Fair and U-CAN Recruitment Fair.

Reasoning: The expressed purpose of these events is to create a culture of high expectations within Rialto Unified School District and our community. The “virtual environment” will cost \$75,000.00 to be split evenly among three (3) districts: Rialto Unified School District, Fontana Unified School District, and Chaffey Joint Union High School. Rialto USD will be contributing \$25,000.00 to Fontana USD who will be paying the contract to M&M Production. This amount represents a cost savings of \$10,000.00 from previous years. The districts will work collaboratively to provide direct access to college recruiters for the districts’ college fairs. More than forty (40+) institutes of higher education including: UCs, CSUs, private colleges, HBCUs, community colleges, and trade schools are scheduled to attend the virtual events. The districts’ Career Technical Education departments will have their industry and business partners participate at these events. This venue also allows the districts to “kick-off” their Free Application for Federal Student Aid (FAFSA) initiative for all seniors. The nine (9) month contract also allows Rialto USD and partner districts to host two (2) additional virtual events and includes the virtual Parent Summit and a Youth Climate Action Summit, including a Science and Engineering Fair.
