

EISENHOWER HIGH SCHOOL  
CLASS OF 1979

We walked the halls of EHS and grew up way too fast  
Graduation came and went and our futures were then cast  
Some stayed nearby, Some flew the coop and couldn't wait to move on  
Some college bound, some military brave; all living life to a beat of our own  
Now forty years have passed and we've lost too many Eagle friends  
So, let's celebrate who we are now and gather from the world's far ends!!
