

Dear Kordyak Elementary School Students, Families, Teachers, and Community,

I am thrilled to introduce myself as the new Principal of Kordyak Elementary School. It is an honor to have the opportunity to lead a school known for its high-performing students, dedicated staff, and supportive parents and community. Together with our outstanding teachers and staff, I am committed to building upon the excellence of our young scholars.

My initial goals are two-fold: to foster a strong school culture and to provide instructional leadership that moves every student closer to career and college readiness each day. We will focus on equipping our students with the skills necessary for success in school, future careers, and college. I believe that authentic literacy and mathematical reasoning are the common threads that tie all of these goals together. Our students will be reading, writing, speaking, reasoning, and solving problems every day in all of their classes. These skills are essential for every student to achieve success in their future endeavors.

Successful schools thrive on regular communication and strong community and

Mis objetivos iniciales son dos: fomentar una cultura escolar sólida y brindar un liderazgo educativo que acerque a cada estudiante a la preparación profesional y universitaria cada día. Nos enfocaremos en equipar a nuestros estudiantes con las habilidades necesarias para el éxito en la escuela, las futuras carreras y la universidad. Creo que la alfabetización auténtica y
